

“Wine is sunlight, held together by water.”

Galileo Galilei

At Mudra Art Cuisine, each bottle on our wine list has been handpicked with the same care and intention as every dish we serve. Our selection draws inspiration from the rhythm of the Adriatic—salty winds, sunlit vineyards, and coastal terroirs that breathe life into every pour.

Let each glass transport you—whether it’s the crisp minerality of a Mediterranean white or the bold depth of a southern red. This is not just a wine list. It’s a sensory journey, curated to complement the soul of the sea and the artistry of our cuisine.
